I represent the following organization on INEP (acronym, or N/A): Australasian Epidemiological Association

as the (1) Primary representative

Please include below, and elaborate where needed, all actual conflicting interests, including financial, consultant, institutional and other relationships that might lead or has led to bias or a conflict-of-interest, or that reasonably might create a perception of bias or a conflict-of-interest by your peers or the public. If there are none, please state “None” alongside each item “a” through “e” below. *If in doubt, rather err on the side of providing more information as this will minimize the need for follow-up.*

With the above definitions in mind relating to my employer and/or volunteer entities, those entities from which I have accepted grants/contracts, salaries/stipends/honoraria/royalties, both monetarily

and in-kind, and anything else like personal relationships that could actually introduce, or be perceived to introduce bias into my decision-making, I disclose the following information covering the 5-year period since January 1, 2013:

- a) Financial relationships: None
- b) Consultant relationships: None
- c) Institutional relationships: University of Sydney, Australia
- d) Other relationships: None
- e) Any additional information: None

If in my service to INEP, I should ever find myself in a conflict-of-interest, actual or perceived, I will declare it and offer to recuse myself from all circumstances that could in any way influence Board deliberations as per the Founding Bylaws (Article V, Section 2).
